Amending America If We Love the Constitution So Much, Why Do We Keep Trying to Change It

By Jerome Agel

University Press of Kansas. Paperback. Book Condition: New. Paperback. 415 pages. Dimensions: 9.2in. x 6.0in. x 0.9in. Even as we marvel at the grandeur of our constitutional system, we cant resist tinkering with it. Amending America tells the dramatic story of how, over the past 206 years, the American people have reshaped the Constitution to meet the countrys changing needs. It describes how we have adopted 27 amendments since 1789-and debated and rejected 10,000 more. A provocative examination of one of Americas most important yet least-known democratic tools, Amending America brings to life events in our history that continue to resonate today as, as various politicians have set their hearts on amendments to balance the budget, to ban abortion, or to allow school prayer. A wonderful book. . . . A magnificent treasure trove of American history. Arthur R. Miller, Bruce Bromley Professor of Law, Harvard Law School. A skillfully rendered, comprehensive, and engaging study of Article V procedures for amending the Constitution. Washington Post Instructive and fascinating. The book is thorough, erudite, and packed with the anecdotes that make our political past so enjoyable to review. Minneapolis Star Tribune. Admirably illuminates the complex and remarkable history of the American...

Reviews

This book might be worth a study, and superior to other. It can be written in easy words and phrases and never confusing. I am just happy to inform you that here is the greatest ebook i have got read within my personal daily life and may be he best pdf for actually.

-- Mrs. Avis Little DDS

Complete information for publication fans. Better then never, though i am quite late in start reading this one. Its been written in an extremely straightforward way in fact it is just soon after i finished reading this ebook in which basically altered me, change the way i believe.

A provocative exa Even as we marvel at the grandeur of our constitutional system, we can't resist tinkering with it.Â A provocative examination of one of America's most important yet least-known democratic tools, Amending America brings to life events in our history that continue to resonate today as, as various politicians have set their hearts on amendments to balance the budget, to ban abortion, or to allow school prayer. A wonderful book. . . . Craft an amendment. When taking action to amend the Constitution, it helps to have a written version of your proposed amendment. This version may not be the exact one used, if the amendment makes it through at all, but potential supporters will have an easier time accepting and backing something with clear, specific terms.Â Try to find a representative who can officially support the proposed amendment, even if she is not connected to your district. You will need to have backing if any idea has any shot at becoming an amendment. As said before, calling or writing your congressional representative is one way to make your voice heard.
