The Wisconsin Idea is a set of ideals and policies developed in the U.S. state of Wisconsin with particular relevance to education and politics. In education, the Wisconsin Idea fosters public universities' contributions to the state: "to the government in the forms of serving in office, offering advice about public policy, providing information and exercising technical skill, and to the citizens in the forms of doing research directed at solving problems that are important to the state and conducting A Guide To Wisconsin E by Rose Ann Wasserman.
