Becoming Eichmann: Rethinking the Life, Crimes, and Trial of a "Desk Murderer"

Published online by Cambridge University Press: 20 August 2007. Christopher R. Browning. An abstract is not available for this content so a preview has been provided. Please use the Get access link above for information on how to access this content. 

The trial of Eichmann caused an influx of studies and books about the war, its lead characters and of course Eichmann. The author shows the discrepancies between these studies and the context in which they were written. Was Eichmann, as he claims, a small cog in the Nazi machine, a mere desk worker, who was responsible for transportation and timetabling or the mastermind behind the annihilation of millions of Jews? The "only obeying orders" defence was rightly dismissed at Nuremberg but that didn’t stop Eichmann’s defence team using it at his trial.
I loved playing an open hand against all the Jewish political functionaries ... I have to forge my weapons according to the strength of the resistance. While we were working with the Jews to solve the Jewish question, the others used the Jews as a means to an end, to milk them for their own ends. And this is why there are still a whole lot of Jews enjoying life today who ought to have been gassed. They knew me wherever I went. Through the press, the name Eichmann had emerged as a symbol. Becoming Eichmann, the first account of Eichmann's life to appear in over forty years, reveals a surprising portrait of the man once seen as epitomizing the "banality of evil." Drawing on recently unearthed documents, David Cesarani explores Eichmann's early career, when he learned how to become an administrator of genocide, and shows how Eichmann developed into the Reich's "expert" on Jewish matters, becoming ever more hateful and brutal. This sobering account deepens our understanding and challenges our preconceptions of Adolf Eichmann and offers fresh ins
Many historians have told the story of the Holocaust, but somehow the character of the man who was its architect has slipped through the gaps - there has been no book devoted to him since he died, after the trial - in Israel - that more than any other event brought the Holocaust to the attention of a world that had been trying to forget it. had ever happened Professor Cesarani's book will tell Eichmann's story and through it the story of the Final Solution, incorporating the latest scholarship on the origins and implementation of the Nazi genocide. â–¾Library descriptions. No library d Eichmann Before Jerusalem The Unexamined Life of a Mass Murderer. By Bettina Stangneth. Translated from the German by Ruth Martin.Â Attending to Eichmann's motives risked a loss of focus. It threatened to drown him, with all his undetermined agency and criminal excess, in the stream of his intentions, itself the overflow of a pool called âœœideology.â€ That is why Arendt took such umbrage at Ben-Gurion's claim that âœœit is not an individual that is in the dock at this historical trial, and not the Nazi regime alone, but anti-Semitism throughout history.â€ As she remarked in Eichmann, âœœit was bad history and cheap rhetoric; worse, it was clearly at cross-purposes with putting Eichmann on trial, suggesting that perhaps he was onl Becoming Eichmann , the first account of Eichmann's life to appear in over forty years, reveals a surprising portrait of the man once seen as epitomizing the "banality of evil."
