Recipient of the Banff Mountain Book Festival’s Canadian Rockies Award ... This important new book tells the story of Canada’s 200-year mountaineering history. Through the use of stories and pictures, Chic Scott documents the evolution of climbing in Canada. He introduces us to the early mountain pioneers and the modern day climbing athletes; he takes us to the crags and the gyms, from the west coast to Québec, and from the Yukon to the Rockies. But most importantly, Scott showcases Canadian climbers-the routes that challenged them, the peaks that inspired them, their insatiable desire to climb harder, to push the limits. Begin the trek through Canada’s c... Pushing the Limits - a super Canadian mountaineering book By Roger Patillo This book is a joy to read and a “must have” as a reference book that tells you all you would like to know and more about the history of mountaineering in Canada. Beautifully published with many pictures of the “greats and near greats” of the Canadian mountaineering scene since it all began in the mid 1800’s. Pushing the Limits captures Canada’s 200-year mountaineering history, a story that unfolds both in Canada and around the world. Journeying to the summits, the crags and the gyms, from the Yukon to the Rockies, Chic introduces readers to early mountain pioneers and modern-day climbing athletes. He is the author of many books, including Pushing the Limits, the History of Canadian Mountaineering. Within the Canadian climbing community there is a tradition of rebelliousness and iconoclas...
