Some people believe that you have to learn both languages as a child to be truly bilingual. My sister and I are fortunate in this respect, but we know countless people who have mastered a second language as adults. They may not have such perfect pronunciation as those who acquire their second language as children, but they are still completely fluent and accurate. Can you go to a college/university and a community college at the same time? What are some examples of the best college admission essays? Betsy Megas, Mechanical engineer, do-it-herselfer. This question is an opportunity to talk about your extracurricular activities, and especially any volunteer or service work you are doing in high school. One hopes that you would volunteer to do programs that teach people of all cultures how to be sensitive to others. It doesn't matter if you do that in your home country or you do it in another outpost of who you go to work for, or if you are educating people about culture skills before they go to travel. The etiquette between one country and another can make or break situations. ENGLISH GRAMMAR IN USE FOR INTERMEDIATE: 20. (I'M) GOING TO (DO). A.
